Greater love has no one than this, than to lay down one’s life for his friends. John 15:13

May flowers are blooming as spring comes upon us. May also brings our National Day of Prayer on the 3rd, Mother’s Day on the 13th, and Memorial Day on May 28. Your Association encourages you to involve yourself and your church in the many ministries that we have to offer. Our newest one is the Block Party Trailer. This evangelistic tool is as valuable as you make it. Many fun activities are included with it, but its main purpose is to draw people to Jesus Christ.

It won’t be long before it will be our County Fair time. We need to be putting our Salvation bracelets together and marking the dates on our calendar to help distribute the tracts, bracelets and balloons to the fair-goers. Want to help? Call Jon! This is a good outreach for youth groups, Sunday School classes, Senior Citizen groups and mission-minded individuals.

June 4th begins our Migrant Camp ministry, headed this year by The Trejos Family. We will hand out 60 health kits to the men from Mexico as well as a tract and Spanish Bible. Their services will be each Monday in June and July at the Tull Hill Farm, beginning at 8PM. All are welcome.

Other activities include a dinner fellowship for Pastors and their spouses in May. It will be at the Baron and the Beef restaurant in Kinston on Hwy 70E, beginning at 6:30PM.

We are also revitalizing the NABS fellowship for Senior Citizens. More information will be forthcoming as to the dates and locations of the lunches and trips. Edwin Jewell is our new NABS Director.

Finally, a quick encouragement to check on your church’s donations to our
